

Southland College
...serving the needs of Christian education

FINANCIAL SUBSIDY APPLICATION

A Financial Subsidy may be applied for all course units and are granted on a case-by-case basis. Southland’s policy is to give priority to developing countries and various “faith/mission” schools when allocating concessions up to 40% of the full unit fee. Please note the total value of concessions to be distributed is limited.

Please also note that this form needs to be completed annually and **it cannot be assumed** that the financial subsidy given in any one calendar year will continue in the next.

(A copy of your Course Application should be attached if applicable).
