

Southland Connect January 2010

Dear Friends,

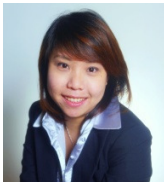

Welcome to 2010! We have many things to share with you.

However, this *Connect* is a short and special edition to let you know about some developments that have occurred over the break:

The **Grad Dip Ed / M Teach (Secondary)** has commenced!!!

Our first students have completed their orientation week this week... and are really keen to keep studying to be well prepared as a Christian secondary teacher. During this pioneer year we will be prepared to have an intake at the start of each term – so if you have someone who is interested in learning to teach as a Christian in a fully accredited program, by distance education, in a context where we are learning to *speak the truth in love so that we will in **all things** grow up into Christ* (as per Ephesians 4:15), then please remind them about our program.

Also remember the **M Ed (Leadership)** program – we have had good interest from executives, senior teachers and pastors. Our new prospectus on the website describes these and all of our programs. A change of **personnel**...

We would like to thank *Claudia Loh* for all of her faithful work over the last period of time – she has indeed been a source of organisation, information and patience! We wish her well as she moves into an accounts position at Morling College (she has a degree in this)...

And we welcome *Jasmin Hall* as the new Southland clerical assistant who will be looking after all of the Educational Administration needs for Southland. Please send your enquiries and other information to jasminh@morling.edu.au (the info@southland.edu.au has been unreliable of late – sorry...)

Shalom,

Stephen
